

Manufacturer's Certification Statement - 2023

TAX CREDITS FOR ENERGY EFFICIENT PRODUCTS

This Manufacturer's Certification Statement is provided to inform you, the taxpayer, that certain Polaris Windows and Doors products may qualify for the 2023 Federal Energy Efficient Home Improvement Tax Credit

Exterior Window Products that meet the Energy Star Most Efficient criteria and Exterior Door products that meet the Energy Star version criteria in which they were installed under may qualify for the credit.

Polaris Windows & Doors, located at 500 Victoria Road, Austintown, Ohio 44515, hereby certifies certain exterior window and doors may qualify for the credit. Please reference the Energy Star qualification charts at www.polariswindows.com for products that may qualify for the tax credit allowed under the Internal Revenue Service guidelines, when installed as an exterior window or door. It is recommended that the taxpayer retain their purchase receipt and the NFRC labels for each eligible window or door.

Please refer to the following websites for additional information about the tax credit:

The 2023 tax credit pertains to products purchased and installed from January 1st, 2023 through December 31st, 2032. This document is only intended to certify that Polaris Windows & Doors offers products that may qualify for the 2023 Federal Energy-Efficient Home Improvement Tax Credit and not as an assurance that a homeowner will qualify for the tax credit.

Polaris Windows & Doors assumes no liability regarding the homeowner's ability to obtain any tax credit. The homeowner should consult with their tax professional or the Internal Revenue Service to confirm that they qualify for the tax credit.

Under penalties of perjury, I declare that I have examined this certification statement, and to the best of my knowledge and belief, the facts are true, correct, and complete.
