SIDE LITES
 standard sizes

custom sizes
 width 1'6" to 4'1"
 max height - 84"

OPEN & SHUT

How would you like your door to open as viewed from outside?
 Two panel - left or right panel glides
 Three panel - center panel glides left or right

FEATURES

Foot operated dead bolt provides an extra lock point for secure partial opening.

Fusion-welding at door panel corners transforms four vinyl extrusions into a strong, one-piece door.

New Vinyl-Wrapped Threshold/Sill is more thermally efficient.

Safety Glass.

Mortised hook lock with double or triple hook option.

Smooth gliding, solid-steel, zinc-plated tandem rollers. Iridium coating on exposed parts enhances corrosion resistance.

INTERNAL MINI BLINDS*
 dust free, kid and pet safe

ENERGYSMART® GLASS

Standard EnergySMART® SUPREME² glass features the Intercept® U-shaped steel spacer system and Argon gas fill between panes. Temperature transfer and condensation are reduced. EnergySMART upgrades offer stronger resistance to temperature transfer.

Ask about ENERGY STAR qualified doors.

MULTI-POINT LOCK SECURITY*

Steel hooks lock at three points.

EXTERIOR PAINT* 20 YEAR WARRANTY

AGAINST FADING, PEELING OR BLISTERING

Unique, high-performance exterior coating specially formulated for PVC Crack & impact resistant • Touch-up paint included • Lead time 4-6 weeks • AAMA testing ensures that coating resists strong solvents, heat gain and thermal shock.

‡ Muntin color may be affected by glass coatings, such as Low-E.

PERFECT PATIO DOOR

Our R&D department is vigilant in testing and updating designs and components. The vinyl formulation retains its smooth surface and color. Vinyl does not transfer cold from outside to inside. Your pristine Polaris® patio door will be energy efficient and maintenance free for a lifetime.

TRIPLE PANE PATIO DOOR

The following sizes are available in triple pane: 5', 6', and 9'. No custom sizes offered.

FEATURES + BENEFITS

Vertical door panel extrusions are reinforced with aluminum. Door panels meet with Over and Under Interlock and feature double weather-stripping.

STAINLESS INTERCEPT SPACER*

FOAM FILLED*

Foam filled vertical main frame adds strength and insulating performance.
